Air Travel & Transportation

Kindly plan to reach Delhi the evening before as flights tend to get delayed in the morning because of the Delhi fog. Due to the morning rush hour traffic, it will take at least 45 minutes to reach the venue from the international airport. Airport transportation from the airport to guest house will only be provided for those reaching Delhi late at night. There are several exits at the airport and there have been instances where the ICMR vehicle driver has not been able to

connect with the arriving passenger. Therefore, for those arriving in the evening, we suggest that you take a prepaid taxi to the guest house and submit the voucher for re-imbusement along with your TA bills. For those taking evening return flights on the 12th December, transportation to the airport will be provided from the meeting venue.

Accommodations:

Accommodation arrangements have been made at the ICMR guest house and at a nearby hotel. All participants will be individually informed about where their accommodation has been booked. Transportation will be provided on the meeting dates to and fro from the guest house/hotel to the meeting venue at 8.45 am and after the meeting gets over for the day.
